

(b) *Termination for convenience.* After consulting with SBA, the procuring activity contracting officer may terminate an 8(a) contract for convenience when it is in the best interests of the Government to do so. A termination for convenience is appropriate if any disadvantaged owner of the Participant performing the contract relinquishes ownership or control of such concern, or enters into any agreement to relinquish such ownership or control, unless a waiver is granted pursuant to § 124.515.

(c) *Substitution of one 8(a) contractor for another.* Where a procuring activity contracting officer demonstrates to SBA that an 8(a) contract will otherwise be terminated for default, SBA may authorize another Participant to complete performance and, in conjunction with the procuring activity, permit novation of the contract without invoking the termination for convenience or waiver provisions of § 124.515.

**§ 124.519 Are there any dollar limits on the amount of 8(a) contracts that a Participant may receive?**

(a) A Participant (other than one owned by an Indian tribe or an ANC) may not receive sole source 8(a) contract awards where it has received a combined total of competitive and sole source 8(a) contracts in excess of the dollar amount set forth in this section during its participation in the 8(a) BD program.

(1) For a firm having a revenue-based primary SIC code at time of program entry, the limit above which it can no longer receive sole source 8(a) contracts is five times the size standard corresponding to that SIC code as of the date of SBA's acceptance of the requirement for the 8(a) BD program or \$100,000,000, whichever is less.

(2) For a firm having an employee-based primary SIC code at time of program entry, the limit above which it can no longer receive sole source 8(a) contracts is \$100,000,000.

(3) SBA will not consider 8(a) contracts awarded under \$100,000 in determining whether a Participant has reached the limit identified in paragraphs (a)(1) and (a)(2) of this section.

(b) Once the limit is reached, a firm may not receive any more 8(a) sole

source contracts, but may remain eligible for competitive 8(a) awards.

(c) The limitation set forth in paragraph (a) of this section will not apply for firms that are current Participants in the 8(a) BD program as of December 31, 1997.

(d) SBA includes the dollar value of 8(a) options and modifications in determining whether a Participant has reached the limit identified in paragraph (a) of this section. If an option is not exercised or the contract value is reduced by modification, SBA will deduct those values.

(e) A Participant's eligibility for a sole source award in terms of whether it has exceeded the dollar limit for 8(a) contracts is measured as of the date that the requirement is accepted for the 8(a) program without taking into account whether the value of that award will cause the limit to be exceeded.

(f) The SBA Administrator on a non-delegable basis may waive the requirement prohibiting a Participant from receiving sole source 8(a) contracts in excess of the dollar amount set forth in this section where the head of a procuring activity represents to the SBA Administrator that award of a sole source 8(a) contract to the Participant is needed to achieve significant interests of the Government.

**§ 124.520 Mentor/protege program.**

(a) *General.* The mentor/protege program is designed to encourage approved mentors to provide various forms of assistance to eligible Participants. This assistance may include technical and/or management assistance; financial assistance in the form of equity investments and/or loans; subcontracts; and/or assistance in performing prime contracts with the Government in the form of joint venture arrangements. The purpose of the mentor/protege relationship is to enhance the capabilities of the protege and to improve its ability to successfully compete for contracts.

(b) *Mentors.* Any concern that demonstrates a commitment and the ability to assist developing 8(a) Participants may act as a mentor and receive benefits as set forth in this section. This includes businesses that have

graduated from the 8(a) BD program, firms that are in the transitional stage of program participation, other small businesses, and large businesses.

(1) In order to qualify as a mentor, a concern must demonstrate that it:

(i) Possesses favorable financial health, including profitability for at least the last two years;

(ii) Possesses good character;

(iii) Does not appear on the federal list of debarred or suspended contractors; and

(iv) Can impart value to a protege firm due to lessons learned and practical experience gained because of the 8(a) BD program, or through its general knowledge of government contracting.

(2) Generally, a mentor will have no more than one protege at a time. However, the AA/BD may authorize a concern to mentor more than one protege at a time where the concern can demonstrate that the additional mentor/protege relationship will not adversely affect the development of either protege firm (e.g., the second firm cannot be a competitor of the first firm).

(3) In order to demonstrate its favorable financial health, a firm seeking to be a mentor must submit its federal tax returns for the last two years to SBA for review.

(4) Once approved, a mentor must annually certify that it continues to possess good character and a favorable financial position.

(c) *Proteges.* (1) In order to initially qualify as a protege firm, a Participant must:

(i) Be in the developmental stage of program participation;

(ii) Have never received an 8(a) contract; or

(ii) Have a size that is less than half the size standard corresponding to its primary SIC code.

(2) Only firms that are in good standing in the 8(a) BD program (e.g., firms that do not have termination or suspension proceedings against them, and are up to date with all reporting requirements) may qualify as a protege.

(3) A protege firm may have only one mentor at a time.

(d) *Benefits.* (1) A mentor and protégé may joint venture as a small business for any government procurement, including procurements with a dollar

value less than half the size standard corresponding to the assigned NAICS code and 8(a) sole source contracts, provided the protégé qualifies as small for the procurement and, for purposes of 8(a) sole source requirements, the protégé has not reached the dollar limit set forth in § 124.519.

(2) Notwithstanding the requirements set forth in §§ 124.105(g) and (h), in order to raise capital for the protege firm, the mentor may own an equity interest of up to 40% in the protege firm.

(3) Notwithstanding the mentor/protege relationship, a protege firm may qualify for other assistance as a small business, including SBA financial assistance.

(4) No determination of affiliation or control may be found between a protege firm and its mentor based on the mentor/protege agreement or any assistance provided pursuant to the agreement.

(e) *Written agreement.* (1) The mentor and protege firms must enter a written agreement setting forth an assessment of the protege's needs and describing the assistance the mentor commits to provide to address those needs (e.g., management and/or technical assistance, loans and/or equity investments, cooperation on joint venture projects, or subcontracts under prime contracts being performed by the mentor). The agreement must also provide that the mentor will provide such assistance to the protege firm for at least one year.

(2) The written agreement must be approved by the AA/BD. The agreement will not be approved if SBA determines that the assistance to be provided is not sufficient to promote any real developmental gains to the protege, or if SBA determines that the agreement is merely a vehicle to enable a non-8(a) participant to receive 8(a) contracts.

(3) The agreement must provide that either the protege or the mentor may terminate the agreement with 30 days advance notice to the other party to the mentor/protege relationship and to SBA.

(4) SBA will review the mentor/protege relationship annually to determine whether to approve its continuation for another year.

## § 124.601

## 13 CFR Ch. I (1–1–11 Edition)

(5) SBA must approve all changes to a mentor/protege agreement in advance.

(f) *Evaluating the mentor/protege relationship.* (1) In its annual business plan update required by § 124.403(a,) the protege must report to SBA for the protege's preceding program year:

(i) All technical and/or management assistance provided by the mentor to the protege;

(ii) All loans to and/or equity investments made by the mentor in the protege;

(iii) All subcontracts awarded to the protege by the mentor, and the value of each subcontract;

(iv) All federal contracts awarded to the mentor/protege relationship as a joint venture (designating each as an 8(a), small business set aside, or unrestricted procurement), the value of each contract, and the percentage of the contract performed and the percentage of revenue accruing to each party to the joint venture; and

(v) A narrative describing the success such assistance has had in addressing the developmental needs of the protege and addressing any problems encountered.

(2) The protege must annually certify to SBA whether there has been any change in the terms of the agreement.

(3) SBA will review the protege's report on the mentor/protege relationship as part of its annual review of the firm's business plan pursuant to § 124.403. SBA may decide not to approve continuation of the agreement if it finds that the mentor has not provided the assistance set forth in the mentor/protege agreement or that the assistance has not resulted in any material benefits or developmental gains to the protege.

### MISCELLANEOUS REPORTING REQUIREMENTS

#### **§ 124.601 What reports does SBA require concerning parties who assist Participants in obtaining federal contracts?**

(a) Each Participant must submit annually a written report to its assigned

BOS that includes a listing of any agents, representatives, attorneys, accountants, consultants and other parties (other than employees) receiving fees, commissions, or compensation of any kind to assist such participant in obtaining a Federal contract. The listing must indicate the amount of compensation paid and a description of the activities performed for such compensation.

(b) Failure to submit the report is good cause for the initiation of a termination proceeding pursuant to §§ 124.303 and 124.304.

#### **§ 124.602 What kind of annual financial statement must a Participant submit to SBA?**

(a) Participants with gross annual receipts of more than \$5,000,000 must submit to SBA audited annual financial statements prepared by a licensed independent public accountant within 120 days after the close of the concern's fiscal year.

(1) The servicing SBA District Director may waive the requirement for audited financial statements for good cause shown by the Participant.

(2) Circumstances where waivers of audited financial statements may be granted include, but are not limited to, the following:

(i) The concern has an unexpected increase in sales towards the end of its fiscal year that creates an unforeseen requirement for audited statements;

(ii) The concern unexpectedly experiences severe financial difficulties which would make the cost of audited financial statements a particular burden; and

(iii) The concern has been a Participant less than 12 months.

(b) Participants with gross annual receipts between \$1,000,000 and \$5,000,000 must submit to SBA reviewed annual financial statements prepared by a licensed independent public accountant within 90 days after the close of the concern's fiscal year.

(c) Participants with gross annual receipts of less than \$1,000,000 must submit to SBA an annual statement prepared in-house or a compilation statement prepared by a licensed independent public accountant, verified as to accuracy by an authorized officer,
